Why a Robot Vacuum Matters in 2026

Busy schedules, shedding pets, and hard-floor mopping needs leave little time for daily cleaning.

Modern robot vacuums now mop, map rooms, and sync with Alexa, Google Assistant, or Apple HomeKit, turning a chore into a set-and-forget routine.

If you’re tired of sweeping pet hair off carpets or lugging a dirty bin after every run, the right model can give you back hours each week.

Based on hands-on testing and thousands of verified user reviews, the iRobot Roomba 115X Combo with AutoEmpty Dock delivers suction, mopping, and hands-free emptying for just $199.99.
