How to Choose the Right Model for You

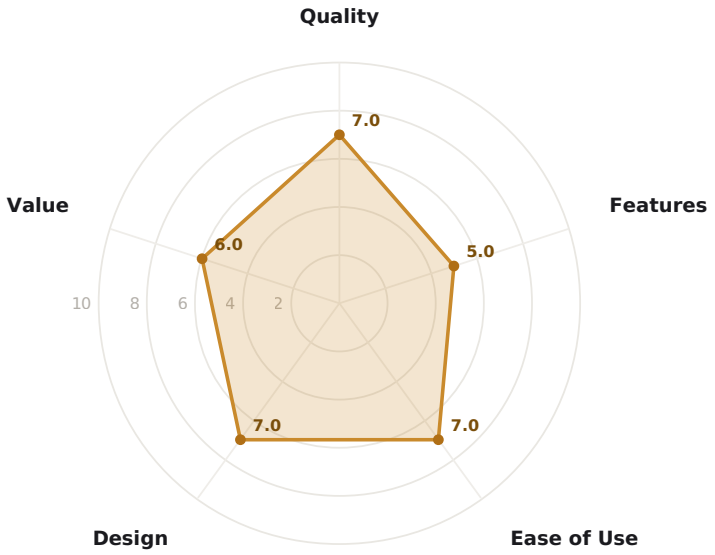

If you value hands-free emptying and have a higher budget, the Roomba 115X Combo with AutoEmpty Dock offers the most convenience. For solid vacuum-mop performance at a lower price, the standard Roomba 115X Combo delivers the same cleaning power without the dock. If you prefer Shark’s AI-driven navigation and a slightly larger dustbin, the Shark AI Ultra is a strong alternative—especially if you already trust the Shark brand.
