Problem-Agitate-Solution (PAS)

Problem: Emptying a small bin after every cleaning cycle interrupts your routine and adds chores.

Agitate: For pet owners or busy households, this means frequent trips to the trash can, lost time, and lingering dust that can trigger allergies.

Solution: The Auto-Empty Dock automatically transfers debris to a larger sealed bag, letting you go weeks without touching the bin.

Proof – Why This Model Wins

Side-by-side testing shows the Roomba 115X Combo outperforms the Shark AI Ultra on carpet suction (2,200 Pa vs 1,800 Pa) and matches it on hard-floor pick-up. Its vSLAM navigation creates accurate maps faster than camera-based systems, and the vibrating mop pad lifts dried stains without streaks.

At $199.99, the price is under half the MSRP, delivering premium features at a budget-friendly level.
