- Auto-Empty Dock: Holds up to 60 days of dirt, bag-less bin

Performance & Suction

At 1800 Pa the robot lifts pet hair, cereal crumbs, and fine dust from carpets and hard floors alike. Adjustable power lets you quiet it for night-time runs.

Smart Navigation

iAdapt 3.0 builds a real-time map using vSLAM, so the Roomba knows where it’s been and where to go next, avoiding obstacles and reducing missed spots.

Mopping Ability

The vibrating microfiber pad works with three water settings, perfect for light spills on sealed tile, laminate, or hardwood. It’s not a deep-scrub, but it keeps everyday messes at bay.

Auto-Empty Dock

The dock’s bag-less bin stores up to two months of debris. When the robot returns, it automatically empties its bin into the dock, meaning you only need to toss the bag-less container every couple of months.

Battery life & Smart App

75 minutes of runtime covers most average-size homes; when the battery drops, the robot returns to the dock, recharges, and resumes cleaning exactly where it left off. The iRobot Home app lets you schedule clean-ups, set Keep-Out Zones, and view custom maps.

User Feedback

Based on 5,217 Amazon reviews, the average rating is 4.4 out of 5 stars. Users repeatedly praise the self-empty dock's "set-and-forget" convenience and the mop's usefulness for everyday spills.

Verdict

If you want a robot that vacuums, mops, and empties itself without a premium price tag, the Roomba 115X Combo delivers the best balance of suction, navigation, mopping, and hands-free maintenance.
